

Banking With Purpose

Business Introductions that Give Back

Fairfield County Bank
COMMUNITY INITIATIVE

"We are very proud that we were able to secure Paycheck Protection Program funding for 100% of the completed applications we received from our business clients. Our teams worked day and night for our clients, and as a result, we found that many clients were telling their friends and referring them to us. We wanted to thank them and couldn't think of a better way than tying it directly to the *Feeding Fairfield County* initiative and making additional contributions to local food banks for each referral," said Dan Berta, President of Fairfield County Bank.

Complete this form to introduce a business to your favorite local Fairfield County Bank representative. Ask the business you are referring to present this form when opening a business checking account*, and Fairfield County Bank will make a \$100 donation** to one of the charities you select from the list below.
